Teaching With Simplicity

Organize by day, week, and month

EVERYTHING is provided in color and in black and white!

Lesson plan pages to meet your needs

EVERYTHING is provided in color and in black and white!

Need more subjects or less? No problem! All columns and rows can be added to, deleted, or resized!

Four lesson plan templates are shown, each with a subject on the top. The first template is titled "Lesson PLANS" and has a vertical subject column on the left. The second is titled "week of October 19" and has a vertical subject column on the left. The third is titled "Lesson PLANS" and has a vertical subject column on the left. The fourth is titled "week of January 18" and has a vertical subject column on the left. Each template includes a grid for lesson planning, a "notes" section, a "to do" section, and a "dates to remember" section.

Subject on Top
4, 5, 6, 7, & 8 Subject Layouts OR make your own!

Four lesson plan templates are shown, each with a subject on the left. The first template is titled "Lesson PLANS" and has a horizontal subject row at the top. The second is titled "week of March 15" and has a horizontal subject row at the top. The third is titled "Lesson PLANS" and has a horizontal subject row at the top. The fourth is titled "week of November 2" and has a horizontal subject row at the top. Each template includes a grid for lesson planning, a "notes" section, a "to do" section, and a "dates to remember" section.

Subject on Left
4, 5, 6, 7, & 8 Subject Layouts OR make your own!

Grade Book & Standards Checklist

EVERYTHING is provided in color and in black and white!

Grade book Forms - 1- or 2-page layout

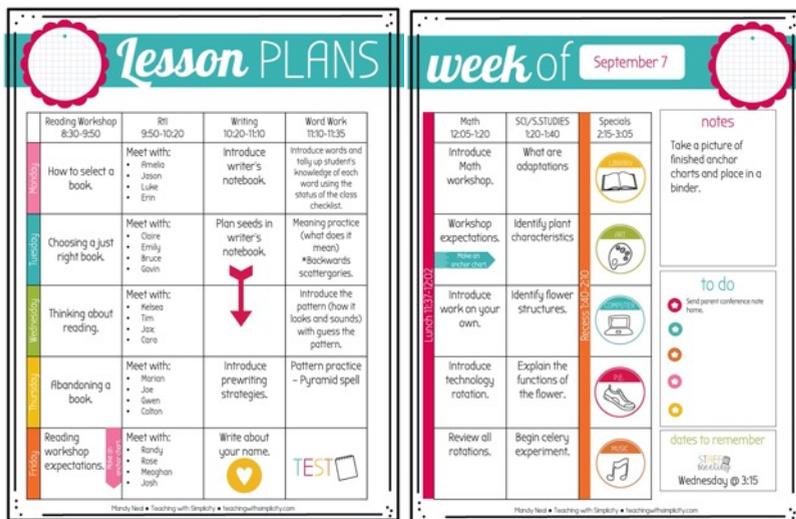

Two versions of a grade book form are shown. The top version is a 1-page layout with a header for 'Grades' and a grid for recording scores. The bottom version is a 2-page layout with a header for 'Grades' and a grid for recording scores. A black arrow points to the bottom version with the text 'Grade Book'.

Four subject-specific grade book forms are shown: Science, Social Studies, Reading, and Math. Each form has a header for the subject and a grid for recording scores. A black arrow points to the bottom version with the text 'Standards Checklist'.

Two standards checklist forms are shown. The top form is for 'Third Grade COMMON CORE LANGUAGE ARTS' and the bottom form is for 'Third Grade COMMON CORE MATHEMATICS'. Both forms have a header for the grade and subject, and a grid for recording standards. A black arrow points to the bottom form with the text 'Standards Checklist'.
